## Scholarly Activities Newsletter

## Publications, Projects, and Updates

- Please join us for our **brown bag research and scholarly activities interest group meetings**. Meetings are held the second Wednesday of the month from 11:30 AM – 12:30 PM on Zoom. Join members of the Research Committee for an informal chat about ideas for projects and collaborations. Whether you are just getting your feet wet or are passionate about research, all are welcome! Please check the Zoom link sent by Nerissa Leonardo each month for the meeting invitation.
- Dr. David Bittleman** submitted a poster, “Got Pain? A Late-Career Physician Shares Tips for Addressing Pain at VA San Diego,” for the 2024 ACP Southern California meeting in October 2024.
- Dr. Lynette Cederquist** and colleagues had the manuscript, “Artificial Nutrition in Advanced Dementia: Impact of a Hospital Policy,” accepted to the *Journal of Hospital Ethics*.
- Dr. Eduardo Grunvald** and colleagues from family medicine published, “Implementation of a Virtual, Shared Medical Appointment Program that Focuses on Food as Medicine Principles in a Population with Obesity: the SLIM Program,” in *Frontiers in Nutrition* in June 2024. In collaboration with colleagues from the Division of Pulmonary Medicine, he also published, “Endotypic Trait Differences in Class 2/3 Obese Patients With and Without Obstructive Sleep Apnea,” in the *Annals of the American Thoracic Society* in July 2024.
- Dr. Edward Chao** published an invited chapter on integrating patient-generated data, from devices such as continuous glucose monitors and insulin pumps, into electronic health records, entitled “Accessing and Acting Upon Patient-Generated Health Data,” in *Diabetes Digital Health, Telehealth, and Artificial Intelligence*.
- Dr. Megha Shankar** and colleagues published the article, “Special Report: Entrustable Professional Activities in Sex- and Gender-Based

## Resources for Scholarly Activities

-The Clinical Research Enhancement through Supplemental Training (CREST) program provides **training in clinical research**.

<https://actri.ucsd.edu/centers-services/portfolio/education/crest/index.html>

-The Annals of Internal Medicine has an online open access journal for **publication of clinical cases**.

<https://www.acpjournals.org/journal/aimcc/about-us>

-UCSD provides free and discounted **software** for scholarly activities.

<https://blink.ucsd.edu/technology/computers/software-acms/available-software/index.html>

*Women's Health*," in the *Journal of General Internal Medicine* in June 2024. Along with her colleagues, she also presented the following workshops: "Trauma Inquiry and Response: Applying the TRIADS Framework to Family Planning Care" (Society of Family Planning Annual Meeting, October 2024) and "Pursuing Reproductive Justice with LGBTQ+ Individuals" (National Society of General Internal Medicine Meeting, May 2024). Dr. Shankar and collaborators also gave the following oral presentations: "Voices of Expectant Mothers: Exploring Preferences for Trauma-Informed Prenatal Care" (Academy of Violence and Abuse Global Health Summit, September 2024), "Trauma-Informed Reproductive Care for Refugee, Immigrant, and Migrant Women" (North American Refugee Health Conference, August 2024), and "Trauma Inquiry and Response in Perinatal Settings: An Application of TRIADS" (National Perinatal Association Conference, May 2024). She, along with colleagues, also made the poster presentation, "Primary Care Can Unveil the Shadows: Acting Against Intimate Partner Violence and Associated Trauma" (International Summit on Preventing, Assessing, and Treating Trauma Across the Lifespan, August 2024).

•**Dr. Stacy Charat** and **Dr. Megha Shankar** presented the workshop, "How to Develop a Social Justice Curriculum at Your Institution: Building Lasting Community Partnerships and Evidence-Based Didactics" at the National Society of General Internal Medicine Meeting in May 2024.

## Making Connections

•Please contact any of the Research Committee members at the email address(es) below if you would like to chat about research or scholarly activities. We are here to help! If you have updates on your scholarly activities that you would like to share, please email **Dr. Melinda Chen**.

## Highlights from the UCSD Division of Geriatrics & Gerontology

The Division of General Internal Medicine is excited to partner with the UCSD Division of Geriatrics & Gerontology to share news about scholarly activities. Check out the Gerontology Research Collaborative website if you are interested in learning more and making connections.
